DENTAL ASSISTANT COURSE

ADMISSIONS OPEN FOR JULY 2026 BATCH • KOCHI CAMPUS

FICS UK CERTIFIED • LEARN • PRACTICE • EXCEL

Bridging the Gap to Clinical Excellence

Dear Students and Parents,
Welcome to Intelligent Dental Academy. The landscape of modern healthcare is rapidly evolving, and dentistry stands at the forefront of this transformation. A skilled dental assistant is the backbone of any successful dental practice, ensuring seamless clinical operations, optimal patient care, and precise surgical assistance.

Our academy was founded with a singular vision: to bridge the gap between academic knowledge and real-world clinical excellence. We are completely committed to delivering world-class, student-focused education. By training under the mentorship of senior MDS specialists and seasoned dental professionals, our students don't just learn—they practice and excel.

Whether you are a high school graduate looking to jumpstart a rewarding career or someone seeking an impactful professional path in healthcare, we welcome you to build a secure and prosperous future with us.

Warm regards,
The Director
Dr Babitha Merin George : BDS , MDS, MBA-HCSM
Intelligent Dental Academy, Kochi

ABOUT THE ACADEMY

Intelligent Dental Academy (IDA) is a premier institute dedicated to dental auxiliary education, located in the vibrant coastal hub of Chullickal, Kochi. Our mission is to deliver an intensive, highly practical, and ethically grounded training environment that empowers students with the clinical acumen and administrative skillsets demanded by global dental clinics.

OUR VISION

To be recognized globally as a benchmark institution for dental assistant training, producing highly competent, empathetic, and technologically proficient healthcare professionals.

MODERN CAMPUS

Our campus features modern dental equipment, specialized practical simulation labs, and interactive smart classrooms designed for immersive learning.

Seven Pillars of Excellence

01. Expert Mentorship: Training led directly by MDS Doctors, experienced Dentists and veteran Dental Assistants.

02. Practical Training: Hands-on training utilizing modern state-of-the-art dental chairs and premium materials.

03. Immersive Exposure: Real-time patient interactions and live chairside assistance workflows from day one.

04. Clinical Internship: Course Certificate will be issued only upon submission of certificate of 6-month mandatory clinical internship program completed from any recognized dental clinics .

05. Global Certification: FICS UK Accreditation that opens professional doors worldwide.

06. Holistic Coaching: Career guidance, soft skills, English communication, and patient psychology modules.

07. Direct Placement: Dedicated recruitment pipelines for top-performing students into leading corporate chains.
